

Denso North America

Leaders in Corrosion Prevention

Protal Pipeline Coatings

Protective Liquid Coatings

Complete line of liquid coatings.

High build (up to 70 mils in one coat).

Easy to apply (brush, roller or spray).

Petrolatum Tape Systems

High Performance Petrolatum Products

Cooling tower piping, tank bases and pipe under thermal insulation.

Applied to marginally prepared surfaces (SSPC SP2-3).

Above and below ground pipe, flanges and valves. Meets AWWA C217 Standard.

Sealing & Molding Products

Self Supporting Molding Compounds

Excellent sealing and molding properties.

Minimal surface preparation (SSPC SP 2-3).

Provides a smooth profile on irregular shaped fittings.

Bitumen & Butyl Tape Systems

High Performance Pipeline Tapes

Excellent adhesion to pipe and self.

Pipeline rehabilitation and repair.

Meets AWWA Standards.

SeaShield Marine Systems

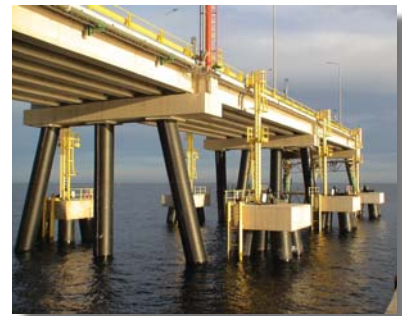

Pile Protection Systems

Over 50 year history of proven applications.

Low cost rehabilitation.

Adds years of life to pier and bridge structures.

Archco Coatings & Linings

Coatings & Linings for Steel and Concrete Surfaces

Cures under cool and damp climates.

High build up to 40 mils in one coat.

Good flexibility and impact resistance.
